Hi Pam,

Our legal group didn't make any headway on the forms UDOGM requires. I'm thinking that it may be quicker for you and I to go through the forms over the phone so that you can let me know who needs to sign where. Attached is a copy of the bond. I'm thinking that a couple of the pages they provided can be substituted for the ones you provided. Do you have some time either tomorrow or Wednesday to go through the forms? I don't have anything scheduled these two days, so let me know what time works best with your schedule.

Thank you!
 Gina

Hi, Gina. We do need all of the documents that I forwarded to you - Reclamation Agreement, Exhibit A (legal description of bonded area), Exhibit B (Surety), Power of Attorney accompanying the surety and the Affidavits of Qualification for the surety and permittee (COVOL). I will have the director sign the Affidavit for the Division.

If you have any other questions, please let me know.

Pam

 Hello Pam,

We have the bond for Covol's Wellington, UT site. I just wanted to confirm with you that we need to prepare and submit all four Word documents that you attached to your previous e-mail with the bond - is that correct?

Thank you,
 Gina
